## 25. MOBILE TOP-UP

- 25.1. The Airtime Top Up service will only be provided to you by us in respect of the mobile phone operators available on our website. These operators are subject to change and availability.
- 25.2. You must input the mobile phone number to which any Airtime Top Up is to be credited into the appropriate space in our Portal. It is your responsibility to ensure that you have correctly inputted the mobile phone number. If you enter the wrong number, the transfer will go ahead and there is no way to reclaim or redirect the Airtime Top Up once the Payment Instruction has been processed by us.
- 25.3. You will then be asked to select the amount of Airtime Top-Up that you wish to credit that mobile phone number with.
- 25.4. The cost of Airtime Top Up will vary depending on the amount of Airtime Top Up that you wish to send and according to the denominations displayed in our Portal or on the Website.
- 25.5. The total amount (the Transaction Amount and our Service Fee) that you must pay will be displayed clearly in the Portal before you are asked to confirm your Transaction.
- 25.6. A number of countries around the world have chosen to apply taxes to incoming Airtime Top Ups. When sending to a Payee in these countries, the corresponding deduction will be made from the Transaction Amount, meaning the Payee will get a lower amount of Airtime Top Up.
- 25.7. The Airtime Top Up is typically sent within a few seconds by us to the mobile phone number you provide upon successful payment by you. Occasionally, there may be a short delay before the relevant mobile operator applies the Airtime Top Up to the mobile phone number e.g., due to congestion on the local mobile network.
- 25.8. Our obligation in relation to Airtime Top Up is simply to send Airtime Top Up in accordance with your Instruction. The relevant mobile operator will be solely liable to you and the Payee of the Airtime Top Up for the provision of mobile services related to the Airtime Top Up. Once the Airtime Top Up is sent to a mobile phone number, it cannot be refunded or removed from the phone. To stop this mistake from happening, we ask you to ensure that the number you have entered is correct.
- 25.9. You will not be able to cancel the Airtime Top Up once we receive your instruction.
- 25.10. We may be obliged (for example, due to local laws or mobile operator restrictions) to limit the number of Airtime Top Ups that can be performed or the maximum value of Airtime Top Ups (the latter typically due to mobile operator restrictions) over a given period of time e.g., daily, weekly, monthly.
- 25.11. The prices of the Services are quoted on the Website. Unless otherwise stated, the prices quoted exclude VAT (we are not VAT registered). We reserve the right, by giving notice to you at any time before delivery or performance of our obligations to you, to increase the price of the Services to reflect any increase in the cost to us due to any factor beyond our control (such as without limitation, any foreign exchange fluctuation, significant increase in any other costs of third-party services). In the unlikely event of this occurring, you shall be entitled to cancel the order at any time before we have commenced providing the Services.
- 25.12. As we sell non-tangible irrevocable goods, we do not issue refunds once the order is accomplished, and the airtime is delivered. As a customer, you are responsible for understanding this upon purchasing any item at our website.
- 25.13. Abuse or fraud (including unlawful use of a payment method, theft, fraud, embezzlement or otherwise) is actively tracked by us. All purchases on our website, may be checked for abuse or fraud

and for this purpose we work together with third parties. As soon as we suspect or discover abuse or fraud, we will refuse an order of credit and we do not issue a digital code to you.

25.14. In case of suspicion of unlawful use, we can ask you for a copy of a valid proof of identity and a copy of a bank statement and/or other documents. After this extra check we can decide to provide you with a digital code for credit, but we are not obliged to do so. We take these measures in order to keep the process of buying credit through our website safe for you.
